
Northeast Design Review Case Detail Report

Project Information

Northeast Case # NE 2009-026

Project Name: Glenville Foot & Ankle Clinic
Address: 10701 St. Clair Avenue
Owner/Rep: Sai Man Lee
Architect: Aldo Dure
Description: New Signage

Notes:

Signage proposed for both building and on awning.

Committee Actions/Submissions

Committee: BRD
Action Date: 09-15-2009
Action Type: Approved
Final Action: Yes

Conditions/Notes:

Signage and awnings approved by the committee for the Foot Clinic. The Foot Clinic signage will be individually ping-mounted lettering. The letters will have a black trim and be gold in color. Two signs, measuring 11'-10.5" x 1'2", will be erected on the southern and western elevations of the building.

Committee: Staff
Action Date: 09-10-2009
Action Type: Plan Submission
Final Action: No

Conditions/Notes:

New plan submitted

Committee: BRD
Action Date: 08-18-2009
Action Type: Disapproved
Final Action: Yes

Conditions/Notes:

The applicant, Aldo Dure, did not appear at the meeting. The committee however, made a formal motion to disapproved the project as submitted per the August 18th renderings. The committee requested a more unique sign program, including new awning colors, no phone number to be placed on the awning, and a stand-alone sign.
