Explanation of Proposed Rezoning

Ordinance No. 1511-15: Changing the Use District of parcels north of Clifton Blvd, south of Lake Ave between W. 117th Street and W. 115th Street to Townhouse and local Retail and Parking districts, a '2' height district and a 'K' area district as identified on the attached map (Map Change No. 2529).

Permitted Uses in Proposed or Existing Zoning Districts:

Existing

One Family Use District: Dwelling houses, each occupied by not more than one family and not more than two roomers or boarders, playgrounds, parks, etc.

Local-Retail Business District: Residential uses, food stores, variety stores, shoe stores, drugstores, eating places, professional offices, and other retail business uses that serve neighborhood needs.

Parking District: Accessory off-street parking lots and off-street parking garages located no closer than 10 feet to any adjacent residential building.

Proposed

Local-Retail Business District: Residential uses, food stores, variety stores, shoe stores, drugstores, eating places, professional offices, and other retail business uses that serve neighborhood needs.

Residential Attached Townhouse (RA) Districts: low-rise developments of attached single family to two family residential units at medium to high densities. Such developments are intended to serve as a transition between areas of detached residences and areas of higher intensity development or to serve as a means of clustering housing units on sites which can be developed most appropriately through such clustering.

Parking District: Accessory off-street parking lots and off-street parking garages located no closer than 10 feet to any adjacent residential building.

Area and Height District Existing and Proposed Districts

Area District – ‘A’ allows for a maximum gross floor area of residential buildings to be equal to $\frac{1}{2}$ of the total lot area. The ‘K’ Area district allows for a maximum gross floor area of residential buildings to be equal to 6 times the total lot area.

Height District – Height District ‘1’ allows a maximum height of 35 feet and the ‘2’ Height District allows a maximum height of 60 feet.

NOTE: If this proposed zoning change becomes effective, the law requires that the legal use of all existing buildings in the area be allowed to remain, but there can be no additions or expansions of those uses made nonconforming by this change without a special permit from the Board of Zoning Appeals.
